

# The Table of the Lord

Dave Bilbrough

The hungry shall be satisfied  
The hungry shall be satisfied  
The hungry shall be satisfied  
At the table of the Lord

There's room for every homeless child  
There's room for every homeless child  
There's room for every homeless child  
At the table of the Lord

Take your rightful place  
Take your rightful place

The immigrant and refugee  
The old, the frail and those in need  
Will find the welcome that they seek  
At the table of the Lord

There's a seat for you  
There's a seat for you

Come wayside wanderers one and all  
The poor, forgotten and ignored  
Your dignity will be restored  
At the table of the Lord
